

Thinking of joining us?

We would love you to.

We are a friendly Gardening Club of around 100 members, meeting on the last Tuesday of each month in Orleton Village Hall. We range from absolute beginners to experienced gardeners, and from tiny patio gardens to more extensive plots and allotments.

As well as having a knowledgeable and entertaining speaker each month, we also learn from each other by swapping tips and information and buying plants from our monthly plant stall.

Incorporated into our annual programme are trips to gardens or plant nurseries, two enjoyable meals together and of course our Annual Show, where everyone can showcase their efforts. So, whether you have an interest in flowers, vegetables, wildlife, or organic gardening etc. there is sure to be a lot to interest you.

Refreshments at the beginning of the evening allow members to chat and get to know one another, and you can be sure of a warm welcome. Autumn seeds can be ordered via our 50% discount scheme. Details of current membership fees can be found on our website
